

PRAYER

To obtain thanks through the intercession of the Venerable
Mother Paula Gil Cano

Most Holy Trinity, you deigned to make your servant Paula a disciple of Jesus in copying his poverty, humility, and mercy, in the style of Mary Immaculate and St. Francis, in her loving and selfless dedication to the neediest and marginalized of his time.

We ask you, for your glory, honor of your Church and good of our souls, the grace we desire to obtain through your intercession, to obtain his speedy beatification. So be it.

Our Father, Hail Mary and Glory.

VENERABLE
MOTHER PAULA DE JESÚS GIL CANO
Foundress of the Congregation
of the Franciscan Sisters of the Immaculate
Conception

Canonization cause
of the
Venerable
Mother Paula de Jesus
Gil Cano

Special predilection for Saint Joseph, worthy protector.

We are still in the jubilee year dedicated to Patriarch Saint Joseph, spouse of the Virgin Mary. Pope Francis has invited us to contemplate this great saint as: **"a beloved father, a father in tenderness, obedience and welcome; A father of creative courage, a worker, always in the shadows."**

The Venerable Mother Paula had a special predilection for St. Joseph, worthy protector. This is reflected in the Life of the Mother Foundress:

"Mother Paula was very devoted to Patriarch St. Joseph... To him she entrusted together with her Most Holy Wife the Immaculate all her needs and that of her poor."

*"Love the
Lord very
much,
with all
your
strength."*

Mother Paula

**Bulletin N° 57
2021**

Mother Paula made her life a service, not because of sacrifice but because of her gift to God and to the poor. Meditating on the life of St. Joseph, she found in him an example and inspiration for her life, since the life of Jesus' adoptive father was service and total donation to God, giving himself with complete availability to the plan of salvation.

Mother Paula, in her love and service to the poor, had her gestures of tenderness, welcome and mercy, obeying God's plan. She was close to the one who suffers, spending her life with love, as the Pope defines St. Joseph, a person, apparently hidden or in the second row, but assuming the fragility of others, healing the wounds of soul and body, and as Venerable Mother Paula said, going there "where there is a need to help and a tear to wipe".

THANKS AND FAVORS

1. SPAIN: Saturday, 21/12/2019. Maria Contreras Fontana. Good morning, I send you this e-mail to testify to a grace obtained through the intercession of Saint Paula Gil Cano, who for me is already a Saint. After a very long and complex operation, my son had some problems derived from it that caused him a lot of suffering and concern. In that distressing trance I found a bulletin with the information and graces obtained from Mother Paula, I began to pray her prayer to beg her that this problem would be solved and after ONE WEEK! My son overcame it, the miracle happened! THANK YOU, MOTHER PAULA, FOR SUCH A MIRACLE, I PRAY TO GOD FOR HER PROMPT BEATIFICATION ON EARTH, ALTHOUGH I AM SURE THAT SHE IS ALREADY WHERE THE HOLY SOULS RESIDE. INFINITE THANKS FOR YOUR INTERCESSION SAINT PAULA GIL CANO.

2. SPAIN: Murcia, San Pedro del Pinatar, August 18, 2020. I am María Ángeles Mullor Cortés, 93 years old; I have a lot of faith and trust in the intercession of Mother Paula de Jesús Gil Cano. She helps me in my daily needs whenever I invoke her. One day, when I was 80-something years old, I was on my "special" motorcycle for the supermarket and suddenly the motorcycle stopped, for

God, today I'm different; I'm doing well, I manage to run a little, I speak well, in short, my body returned to a normal state, I started playing my guitar again. Today I am a witness to this Sister Paula, for her intercession to God for the poor and sick, and for our difficulties. Brothers, let us ask Mother Paula, that through her intercession before God, we may see the well-being of life. I thank the Franciscan Sisters of the Immaculate Conception on the Island of Mozambique who continue the life of Mother Paula Gil Cano. So be it!

8. HONDURAS. Santa Rosa de Copán, December 2019. Elsa Trochez. I have a small business, but one day I hadn't sold anything; Then I remembered that I had been given a little card of Mother Paula. I gave her a kiss, prayed with her and put her in the *Chinero*, within half an hour I already had several people looking in the business and I had a nice sale that day, with the favor of God and the intercession of Mother Paula.

One day my daughter-in-law K. Y. T. came over. 25 years old, to tell me very broken that she was separating from her husband, because he had asked her to. I recommended trust in God and in the intercession of Mother Paula and we both prayed for the need presented. The surprise was that the next day everything was arranged, and I thank God and the intercession of Mother Paula.

9. MOZAMBIQUE: Mozambique Island, February 18, 2018.

Felisberto Jorge, 55 years old, I am from the Catholic Church, friend of Mother Paula on the Island of Mozambique, every 18th of the month we pray to Mother Paula and comment on her life.

On June 16, 20'17, one hour at night, when leaving the bathhouse or sanitary service, I fell into the room, with a part of my body without action, starting from the head, eye, arm, rib and all the leg on the left side. It was thrombosis... Without walking, paralyzed a part of my body. One day Sister Antonia (Martinez), Franciscan of the Island, accompanied by Sister Victoria (Mendoza) visited me and advised me to strengthen my prayers to God through the intercession of Mother Paula. After two weeks of Mother Paula's intercession, I began to move my body. After two weeks praying to Mother Paula and asking for her help, I got up, started walking in the living room and in the room of my house until I went to the bathhouse, took a bath, which I could not do.

Sister Antonia promised to get me crutches, after a week I dreamed of a lady dressed in white clothes, telling me that I had to have faith not to use crutches.

From the next day, I could walk without crutches, although limping. That lady I dreamed of, reminded me of Mother Paula. Sisters, after that dream, from the intercession of Mother Paula to

I made it to boot it didn't work. A big queue of cars and I was getting nervous, the police arrived, and I was more nervous, then I remembered Mother Paula and I said: "Mother Paula, please help me, that this motorcycle works for me, and immediately the motorcycle started, and I continued as if nothing had happened, thanks to Mother Paula.

Another day I was cleaning the windowpanes, I lowered it but then to put it back I could not because it weighed me a lot and I was alone. I felt that the window was falling to the floor, I turned to Mother Paula and said: Oh, Mother Paula! Help me, please, that alone I cannot. And immediately the window became like a feather, I placed it without any problem. Thus, many favors he grants me. I always ask her for people in need, friends and acquaintances who ask me to pray for them, every night I pray to her and her intercession is palpable.

Signed: Ma. Ángeles Mullor.

3. SPAIN: Murcia, 8 January 2014. ANGELA SANCHEZ LAFUENTE.

Dear Franciscan Sisters. I want to put on record my gratitude to Mother Paula Gil for a favor granted to one of my daughters, which I have been asking for some months and which has now become a reality. Three years ago, I asked her for another favor for an operation of my husband that was performed at the "San Carlos" Clinic and that she also granted. At that time, I donated and this time I have also done it... I had asked Mother Paula that my brother-in-law, brother of my late husband also die like this, in peace and without pain and so it was. I keep asking for other favors, which I hope you will also grant me.

May her beatification soon be and then her sanctification! I wish them well. Many greetings. Angela Sanchez Lafuente.

4. SPAIN: Granada. IMMACULATE. I have already told my parents that this summer I would like to go to the birthplace of our dear Paula, where I take shelter a lot because I have a life as difficult as her. Hugs.

5. EL SALVADOR, San Salvador. December 2019. José Serafín Alemán Benítez. After dedicating myself to accompany my parents, while God granted them the beautiful gift of life, because he has already taken them to their full rest. I was feeling submerged in a deep depression, as in a dead end and this situation was generating multiple diseases. I didn't know about this disease, but I felt discouraged, lifeless. My sister and my family joined in prayer to ask for Mother Paula's intercession. Little by little everything has been improving, with medicine, doctors and of course the intercession of Mother Paula.

I thank God and the intercession of Mother Paula because after so much suffering now I can feel much better.

José Serafín Alemán Benítez.

6. GUATEMALA: April 13, 2019. Me, Fernando Antonio González Martínez, 21 years old. In full use of my mental faculties, I attest and bear witness to the favor achieved through the intercession of Venerable Mother Paula. In August 2018, having graduated as a Baker Technician at Intecap Centro Guatemala 1, I started the job search, in those days I was working temporarily in the house of the Franciscan sisters of the Immaculate Conception, being my aunt Sister Marta Laura González Mayén superior of the house "San José", one day she gave me a stamp with the relic of Mother Paula with the prayer to the Holy Trinity, telling me: "Pray this prayer every night, but with great faith, that Mother Paula will help you find a good job soon."

The next day and very early in the morning I left Antigua for the capital to make requests to the companies that I could, and as far as time allowed. In the month of August, I went again to make more applications, in October and there I stayed, as very confident.

On December 26, 2018, they called me from Solusersa, a company in which I left an application, they interviewed me, I did a polygraph test, but, before entering the polygraph, I prayed the prayer of Mother Paula, with great faith, and I told her: "if you help me with the work I attest to your miracle and help your Beatification process". Going back to my house they call me and tell me.

that I gave good results in the polygraph test and that I returned the next day to sign a contract, labor induction, registration of IGSS (Guatemalan Social Security Institute) and among other procedures that must be done.

I ask the governments of the congregation to take into account my testimony and that it be used for the corresponding procedures that are necessary in the process of Beatification of Mother Paula, and I promise to spread the devotion of Mother Paula to my friends and acquaintances, so that with faith they ask her, and, like me, receive from God through the intercession of Mother Paula, the favor you need. And to what corresponds to me, until today I pray with faith to Mother Paula giving thanks for the miracle achieved and for the needs that we have day by day.

Free and aware that what I say is true and that no one forces me to say it, I attest to this, authorize, and ask the corresponding authorities to include my testimony in the process of beatification of Mother Paula.

Signed: Fernando Antonio González Martínez

7. HONDURAS. Santa Rosa de Copán, Barrio El Carmen. Marina Hernández Pineda. I thank God for having met the Franciscan Sisters of the Immaculate Conception, whom I asked to accompany me in prayer for my family, mainly for my two sons who were in the army. They gave me a little card of Mother Paula, so that she could intercede for my family. My two sons already graduated did not have a job but then, thank God they found a very good one in which they earned well.

One of them who was in the army, Juan Gabriel Hernández, overturned in a military patrol where they were all beaten and injured; Nothing happened to my son, thank God who takes care of us and protects us. It had truly been a miracle of God since he did not turn a deaf ear to our prayers.

I am very grateful to God, Mother Paula and to the sisters. May God take care of you and protect you.
