

PRAYER

To get thanks for intercession of the Venerable
Mother Paula Gil Cano

Holy Trinity, who deigned to make your servant Paula a disciple of Jesus in the copy of his poverty and humility in the style of St. Francis and in his loving and selfless dedication to the neediest and marginalized of his time.

We ask you, for your glory, the honor of your Church and the good of our souls, for the grace we desire to obtain through their intercession, in order to obtain its prompt beat. So be it.

Our Father, Hail Mary and Glory.

Mother Paula

**Bulletin Nr. 55
2019**

"Long live Jesus and Mary and Saint Francis." As a true devotee of St. Francis of Assisi, the Venerable Mother Paula distinguished herself by her extraordinary charity, absolute poverty, devotion to the humanity of Christ and to the Passion of the Lord, love of Mary, assiduous prayer and deep humility, says one of the Theological Consultants of the Causes of Saints, and continues: "Along this path, the Servant of God considered the Congregation of the Franciscan Sisters of the Purísima Concepción, founded by her, a "little Franciscan flock". And in some letters sent to Fr. Panadero Vargas, a Franciscan, he begins with the words: **"Long live Jesus and Mary and Saint Francis."**

Not for nothing she was assisted in her founding work by a Franciscan father, Francisco Manuel Malo y Malo, who had a fundamental importance in the personal path of Mother Paula and the Congregation itself.”

Her great desire and effort to belong to the Franciscan Family was fulfilled on July 6, 1903, the date on which the Decree of transfer of his Congregation to the Third Order of San Francisco was signed. And in the Constitutions of 1900 of the Congregation founded by her, San Francisco was proposed as an example of charity, poverty, penance, prayer and humility.

We can affirm that the Venerable Mother Paula lived a deep Franciscan spirituality; she considered herself a "poor and humble daughter of the Seraph of Assisi", as expressed in a letter dated December 6, 1894.

Mother Paula

Upon arriving at the sea he left the group and went to buy a soda, there were some gang members and they took him kidnapped in bath clothes.

The companions searched for him during the day and a part of the night, not finding him, at nine o'clock at night they notified me and took their belongings from him to the house. We imagined the worst. They told us that he was not drowned, they looked for him and the ride was bitter to everyone, upon receiving the news, I, Gerardo Sr. had a picture of Mother Paula in my hands and wholeheartedly asked for her help by praying her prayer (and he was telling her): "Paulita that my son appears alive, I don't want him dead", within half an hour of having Sister Paulita in my hands, the police told me that they had found him very beaten but he was alive, I went to pick him up where the police had already rescued him.

Thank God and the intercession of Sister Paula de Jesús Gil Cano.

Agradecen directamente a Madre Paula

Thanks and favors

1. SPAIN, MADRID. Anonymous. I thank Mother Paula for the grace granted to a very close relative who, due to a family misfortune, got upset in such a way that his wife and children threw him out of his own home, and he was forced to resort to begging to survive. For 3 years he was wandering from one place to another, begging without being able to locate him despite trying by all means, including police. Until a relative decided to entrust the case to Mother Paula and after a month of praying her prayer for this intention, he presented himself at the home of his deceased parents and in which he was welcomed with great kindness and fraternal affection from one of his brothers, with whom he lives happily. There is no doubt that it is a favor of Mother Paula.

2. SPAIN, BARCELONA. Mauro Gentile. I would like to tell you a little intervention by Mother Paula for the glory of God. I entered the Church where I found an information sheet of her life and of the graces that the Lord grants through her intercession. I asked her to help me in the job search and on leaving I got a phone call to do an interview and I started to work yesterday Tuesday of this month.

Grateful, sending collaboration for the beatification process of Mother Paula Gil Cano.

3. SPAIN, Madrid, 14-09-2018. María Idely Valencia Carmona.

I thank God that through the intercession of Mother Paula Gil Cano, Mrs. Rosalba, my friend, came from Colombia to Spain. She came with a cough, she was admitted to the UVI at the Hospital de Hierro, in Madrid. She could not be on her back, just upside down and with many pipes connected. Artificial respiration. The doctors gathered the family to prepare for the worst.

I made the ninth to Mother Paula. My friend's recovery, after 6 days began (to improve). It was pneumonia, it was very serious; she recovered and was quickly discharged.

4. PANAMÁ: January 12, 2018, Barriada San José, David. Lourdes S. de Vega. I asked for the intercession in the ninth that we are doing to Mother Paula for her beatification. I asked for your support because my daughter needed to deliver a document that certifies as an officer of the company where she works and had to deliver it as soon as possible for approval. To go to look for it and deliver it, she did not have the time, three days after the ninth and the deadline for carrying the document expired, my daughter's boss sent it by plane to the company; My daughter tells me: "mom, this is a miracle!". I answered thanks to God, the Blessed Virgin and Mother Paula to whom we invoke and ask for help. I beg God to be called Saint very soon, for me she already is.

5. CUBA. Placetas (Villa Clara). May 25, 2019. Olga Lidia Rodríguez García (Lyly). Peace and good! I had written to them about a miracle that Mother Paula did for my brother Ramón M. Rodríguez who drank a lot and thank God and Mother Paula no longer. But now another miracle happened in my family through the intercession of Mother Paula. I'm going to tell you:

My 64-year-old husband is named Francisco Delgado Pérez, we are Franciscan tertiaries. He works with a tractor in construction that carries materials for different works. One day when he bends down to examine the equipment he does not see well and there is a blow to the head on the left side; He comes to the house and did not want to go to the doctor, I washed him and cured him with what I could, after two days he began to get very large and black warts and grew more and more every day. Our daughter came to visit and when she saw that she was horrified and took him to the doctor, this is a surgeon from Placetas, he sent the corresponding analyzes and gave him the turn to operate it as quickly as possible. They operated on January 9 of this year and it went well, we await the biopsy. Thank God and Mother Paula it was negative. The operation was infected and I put the stamp of Mother Paula in the wound. Little by little he was healing and he also asked him to heal him, because we have many family problems of the sick and I am physically disabled. Finally my husband healed completely and is recovered. Thank you Mother Paula because you have interceded for us and it has been a miracle.

Without more, many affections and blessings.
His sister in Christ Jesus and Mother Paula.

6. EL SALVADOR. Santa Ana, May 1, 2018. Gerardo Ramos. Infinite thanks to Mother Paulita for her great intercession, help and affection she has for us, I Gerardo Ramos, I thank you for having recovered my son Gerardo Enrique, who works in a leather company, and his colleagues arranged to make an excursion to the sea, on the day of work that was the first of May.
