

## Prayer

To get thanks for intercession of the Venerable  
Mother Paula Gil Cano

Holy Trinity, who deigned to make your servant Paula a disciple of Jesus in the copy of his poverty, humility and mercy, in the style of St. Francis and in his loving and selfless dedication to those most needy and marginalized of his time.

We ask you, for your glory, the honor of your Church and the good of our souls, for the grace we desire to obtain through their intercession, in order to achieve their prompt beatification. So be it.  
Our Father, Hail Mary and Glory.

Venerable  
MOTHER PAULA BY JESÚS GIL CANO

Founder of the Congregation  
Franciscan Sisters of the Pure Conception

Canonization cause of the  
**Venerable**

**Mother Paula de Jesús  
Gil Cano**

"The Blessed Virgin is the one who  
inspires me and commands my heart"

The Marian spirituality of the Servant of God was dominated by the heavenly Mother Mary Pure. Spiritually Mother Paula focused on the motherhood of Mary who, because of her motherhood, was worthy of absolute confidence. From where it follows that the way of the Servant of God was that of a Marian spiritual childhood. This is probably explained by the lack and need of the earthly mother, - how little she could enjoy her mother, Mrs Catalina Cano! - and also by the desire, all with her humility, to want to give, both to her nuns and to her orphans, the joy of having a mother capable of reaching where it would have been impossible for herself, says Professor Ulderico Parente, in the book *Biography of Mother Paula*.

*"Oh, Purest  
mother of mine!  
Come and help  
your servant,  
giving what est  
suits the glory of  
your Son and our  
own sanctifi-  
cation."*

Mother Paula

**Bulletin No. 56  
2020**

As reflected in the Exemplary Life, with love and filial trust it was said to the Most Pure Virgin: "My Mother, You and not I are the Mother of these nuns and Superior General of this Congregation; watch over them, for the love and increase of this little flock. You know I'm just a delegate of yours."

She spoke with great enthusiasm of the distinguished mystery of the Immaculate Conception and exhorted her daughters to honor the Immaculate Queen: How beautiful my Mother of Heaven is, she said with joy. No one should celebrate our beloved Mother as much as us!

The Venerable Mother Paula fully trusted the Blessed Virgin, she entrusted her fears, her sorrows, her needs and those of her Daughters, as well as the intentions and needs of the people entrusted to her in her prayers.

The Most Pure is the *one full of grace* and therefore also of glory. The Servant of God, she sang in her beautiful voice, according to tradition, several prayers, and hymns to the Mother of God, for example: "Beautiful Virgin Take Me to Heaven", whose first verse says:

*"Beautiful virgin, sweet comfort,  
Mother whom I love with frenzy.  
Take me Mother, take me to heaven,  
I can't live, away from You."*

When there was any difficulty, she went to Our Lady and with great confidence said to her, **"Go, dear Mother, go ahead and give us the way, you solve the matter first"** (V.E. 106)

7. **CUBA.** (Year 2018) María Lidia Lopez Fuentes

I want to thank Mother Paula for listening to my pleas. I have two granddaughters, the eldest Doralia María Jaramillo Ochoa, some warts came out in her face, I prayed to Mother Paula and they fell off and they did not come out again.

The other little granddaughter Angeline Jaramillo Pérez. I prayed for her because she was suffering from constipation and soon became cured of this disease. I have no words to thank Mother Paula for her help and intercession before God. I pray to God that she will soon be beatified and thank her for the favors she has bestowed upon me.

### They thank Mother Paula directly

♥ **ANONYMOUS:** Dear Mother Paula,

I thank you because you are very beautiful with all of us who trust you and thank you for your beautiful words that you have left. Humbly with my little art I write you this little card thanking you because you have lifted my spirits in my difficult times and worked in me and I know that you will continue to work because my prayers will continue to reach your ears. Do not let my sadness hurt me.

Help me have that patience like you did in those moments. I ask for everything from my heart and ask you in the name that is above (everything) name. In the name of Jesus Christ who lives and reigns by the Holy Ghost. Honor and all glory. Amen.

And why not thank our Most Pure Mother, too. It was she who brought you forward for your congregation that it was your dream to have since you were a child. And ask her for us for your children who are in need, lack of faith, and self-confidence. Tell her we need peace, health, love for our brothers and sisters and a new heart. And keep waiting for more letters of graces for (that) you will make me a new man. I ask you to be a man full of God and to have the ability to proclaim the new gospel everywhere if he has life. - Thank you for everything, Mother Paula.

### GRACES AND FAVORS

1. **SPAIN,** Murcia. **Anonymous.** PEACE AND GOOD

I know a lot about Mother Paula's life, as well as her work, for a long time. I felt quite sensitized when I met the project and foundation of Mozambique's mission, probably carried by that vocation that I felt from a young age by the missions.

Whenever I have any difficulties, I go to Mother Paula asking for help. This past year I had two of them, since it was the health of two very close people, and again I asked her from the bottom of my heart to solve everything: one at the time of happening, and the other gradually because that's how it should happen.

My request was accompanied by the promise to write the letter (I have never done it for the rest of the things I have achieved), and collaborate with a little more money for that wonderful work that is being done in Mozambique.

With nothing else to Add a strong embrace to those sisters who are there, a greeting to all collaborators and encouragement for all, to continue this beautiful work in which Mother Paula is present and helping to overcome the difficulties that arise. May M. Paula always guide us.

**2. SPAIN**, Madrid, 14-09-2018. Maria Idely Valencia C. (Colombian). I bear witness to the favor granted by the Lord and the intercession of Mother Paula Gil Cano:

I brought my son from Colombia to Spain. I put the papers in Migration to be legal and he was denied. I continued to pray to Mother Paula and put the papers back in the hope that she would be granted her stay here in Spain and the Lord granted it to him. Thank you to the Lord and the intercession of Mother Paula, my son Ederleandro V. V. you already enjoy your community card.

**3. SPAIN**, Murcia, 18-03-2018. Anonymous. I am very much able to write the grace that she has bestowed upon me:

"Three brothers haven't spoken for 10 years. I have been praying the ninth (to Mother Paula) and I will continue to pray. By their grace, everything is fine, they have spoken, and they have cleared things up, I am very happy. I will continue to pray."

**4. COSTA RICA**: December 2019. S. Martha Nuria Masís Vega. Thanks to the intercession of the Venerable Mother Paula of Jesus Gil Cano, my brother Victor Manuel Masis Vega, had cataract surgery, he had pending an operating appointment for the day Tuesday, December 21, 2021, but the problem of his eyesight was altering, so I made the ninth with great faith to the Venerable Mother Paula and God thanks already had the surgery, there were some setbacks but thanks to the intercession of Mother Paula the operation was a success, it was operated on September 12 , 2019.

**5. COSTA RICA**: December 2019. S. Martha Nuria Masís Vega. In 2015 I went to visit the young Alexandra Dallana Villegas Quesada. Talking to her expressed the desire to be a mother. I gave her the ninth of Mother Paula, told her about her, and told her to do the ninth; I did it, but I lost communication with Dallana. February 21

2018 she realized she was pregnant, the child was born on October 04, 2018, I found out a year later. I send the testimony of her. "I realized I was pregnant on February 21, 2018. The baby was born on October 4, 2018. **It is so immense the love of God and the intercession of Mother Paula**, that I spent a month in hospital Mexico for complications, my baby was going to be born early but God never abandoned us and my son was born very healthy despite so many scares. His name is Mathías Gael Torres Villegas. The dad's name is Carlos Luis Torres Juarez. And my full name: Alexandra Dallana Villegas Quesada.

I hesitated to get pregnant for 8 (eight) years, doctors told me it was because-I had polycystic ovaries, with a hyperinsulinemia condition. I had both fallopian tubes clogged, they could only open a tube for me, I had the smallest uterus than usual, that meant I had a juvenile reproductive system.

They gave me medication to get ovulate since my body did not do it so I could have an artificial insemination and even with ovulating medications, so they couldn't do the insemination. The moment I got pregnant I was still in treatment, but not much hope was seen, at the moment it looked like it was going to last much longer in treatment.

The date the ninth came to leave me (Sister Martha Nuria Masís V.) I do not remember much but if I know that in 2015"

From my behalf, "says *Sister Martha Nuria*, - "I asked Mother Paula to get in the way of that marriage, and so it was.

**6. HONDURAS**: Santa Rosa de Copán, 2019. Anonymous. I am a friend of Madre Paula (of the group) and my granddaughter Marta Isabel Romero Rodríguez, was born with respiratory deficiency and the pediatrician said that it was necessary to intubate her and therefore had to be taken to the hospital. At the moment I thought I'd ask the family to join in prayer through Mother Paula's intercession and then take her to the hospital. When we arrived at the hospital with the girl, the pediatrician asked why we were taking her if the girl was okay. But for now they left her under observation for three days. By the grace of God and the intercession of Mother Paula, her recuperation was complete.
